Reverend Charles Worthy

To Robert
Avery handsome young
man that I have known
for a short time. You have a
beautiful personality in everything
you do. Don't get yourself mixed up with
too many girls. You can get yourself in TROUBLE
if you're not careful.
I'll see you next year when you're in high
school. And we can have only two
more years left of school. And we can
then graduate together. Then we can
plan to be ready to settle
down. I'll be ready to be a WIFE
and you be a HAPPY boy. I hope
you can become my friend as I
have always been yours. Remember
yesterday is gone forever. Live today
and look forward to tomorrow.
Your friend

So Many Roads To Choose

Literally, new expressways. Ideally, paths to take in the journey of life. The worlds within our world that lie open to us ahead: the ups and downs of the world of business; the professional pursuits with the challenge of unlimited intellectual growth; the ever-growing number of differing fields in the artistic spectrum; the tasks of setting up a home and the satisfaction of establishing a happy family life; the course of political involvement—concern and action in the community; and the endless number of other opportunities open to us in our life ahead. At DeVilbiss, we hope to become aware of these worlds and to gain the knowledge for "So Many Roads To Choose."

"Stonemason's Quarterly," a paper published by Al Bellg and others, enjoys an enthusiastic readership according to Brad Teague. The "Quarterly" contains poems, articles, and stories.

In the beginning of December, Shelley Green and Judi Robbins help set up the first art show and sale, displaying the works of many DeVilbiss art students.

TASC Promotes Arts Festival

Toledo Area Student Council put on a Winter Arts Festival at Sylvania in January. The festivities consisted of a 'Battle of the Bands', a movie contest, and other art competitions.

Mary Henry and Joey Jones acted as the DHS coordinators by attending area meetings and reporting projects to the Student Government. Robin Getter was in charge of the TASC newsletter. Jane Draper worked on Scholarships while Bob Haddad planned Inter-School Exchange for DHS. Chris Hewlett was busy arranging the Quiz Bowl show for all the area schools involved in the program. Her duties included keeping score at the quiz bowl shows, on Sundays.

Student Government Holds Open Forum

In an effort to get things out in the open, Student Government held an open forum on January 6, 1971. This meeting was informal with all the officers sitting on the floor of the stage and President Jim Black leading the discussion. Many proposals were brought up but none was voted on because it wasn't considered a business meeting. The open meeting was a new idea that was meant to give more students an active voice in Student Government policies.

The new constitution which was adopted at the end of last year was put into action. This year Vice-President Mark Everhart presided at the meetings. Government donated one hundred dollars to the Pakistan relief fund after the disaster there. Some of the money for this fund was earned from Santa's Mailbox.

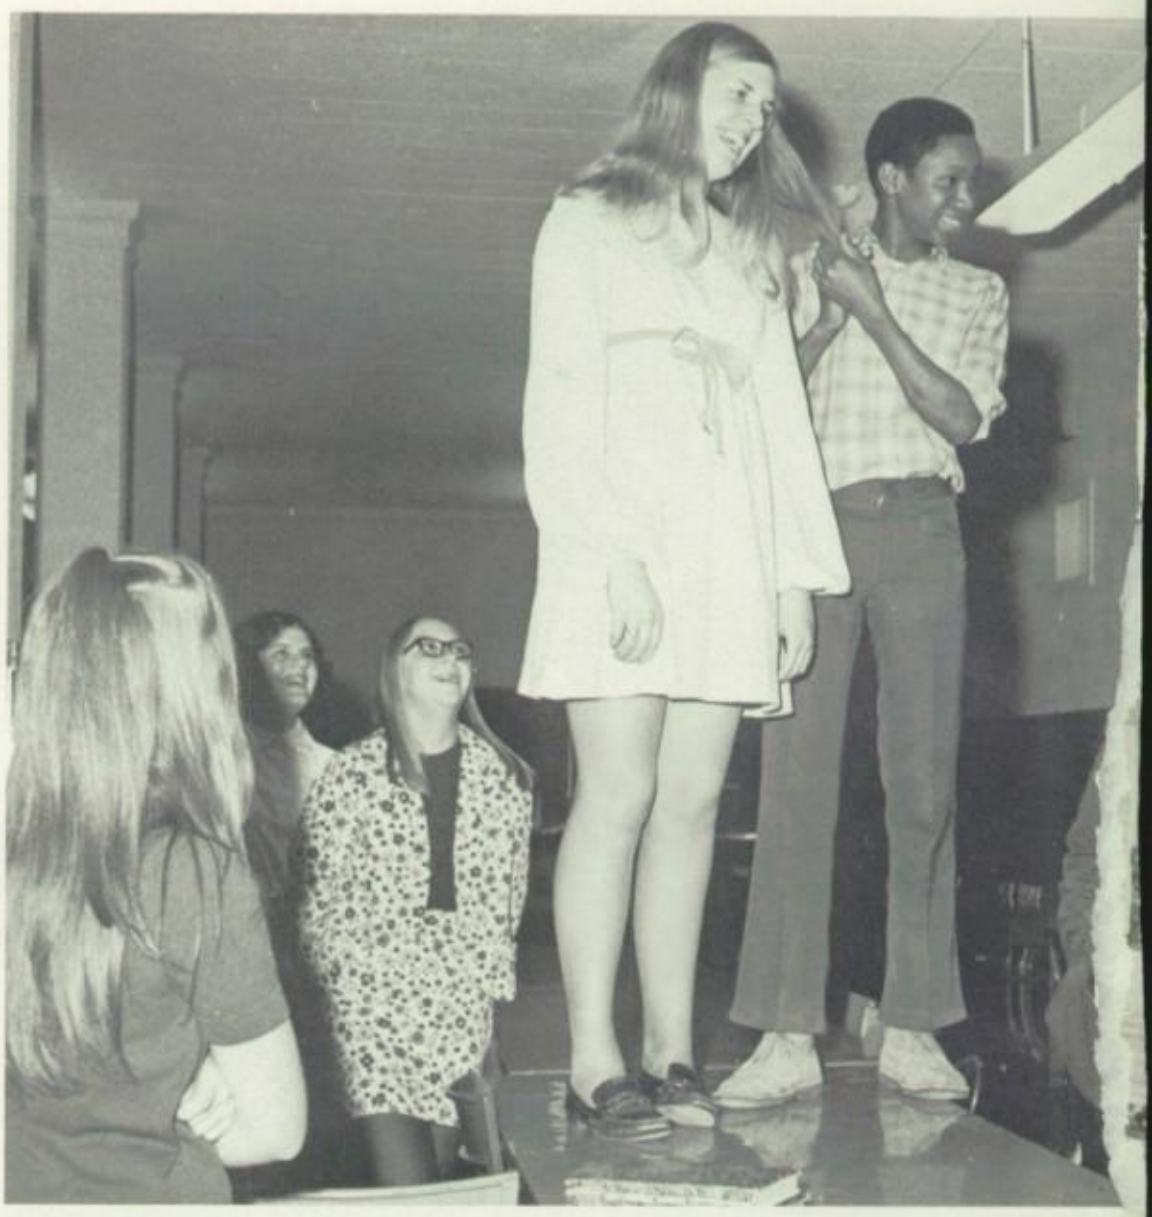
Spirit Committee Holds Slave Sale



Four committees and boards served DeVilbiss. They were the Spirit Committee, the Student-Faculty board, the Human Relations committee, and the Judiciary board.

Spirit Committee devoted their time to making signs and posters for football and basketball games. They also supported the mothers' bake-sale for the Schneider memorial by making signs to advertise it.

Difficulties arose with the choosing of the Student-Faculty board. It was finally decided that the Executive board would interview prospective members. The faculty were late in selecting their representatives. This delayed the actions of the Student-Faculty board.

Phil Kaufman, Human Relations advisor said, "The purpose of the Human Relations committee is to promote better human relations by working together through contacts to promote justice." A newly formed board, the Judiciary board, consisted of five students. These students studied Robert's Rules of Order and were responsible for keeping order at Student Government meetings.

Commissioners Try Many Innovations

Groups of students congregated constantly in front of the new graffiti board opposite 122, waiting their turn to write jokes, poems, insults, and to draw pictures. Wendy Hrabak—Publicity put up a new board weekly. Prospective members learned about DeVilbiss Clubs from the new club handbook prepared by Craig Lykins—Organizations. Chris Scott—Awards and Ernie Worman—Finance felt disappointed because the magazine drive this year netted one-third less than last year.

To save time, commissioners presented written reports, typed by Pattie Gring—Clerk of the Board instead of the usual oral report given at government meetings. Bob Nordoff—Athletics promoted an intramural Basketball tournament won by the Poon-tang Wildcats.

Students interested in current topics bought many various paperbacks on ecology, drugs, and black history, added to the stock by Sue Reed—Social Service.

Fred Dewey—Assemblies had the rare chance to plan the assembly honoring the DeVilbiss Cross Country State Championship Team. The team presented all their trophies to Mr. Cross and the school at the assembly.

Halloween Theme Marks Homecoming

Pumpkins, scarecrows, and witches spelled out the 1970 DeVilbiss Homecoming. The theme "Season of the Witch" fitted the Halloween festivities perfectly.

The day began with the traditional Homecoming Parade originating at the Colony parking lot and ending at Page Stadium. Unfortunately, the cross country team ran in the city meet at the same time the football team began their battle against Bowsher. Some fans watched the cross country team take the city crown at Ottawa Park before rushing to the stadium for the exciting half-time activities. The band entertained everyone with many popular tunes while the majorettes twirled their fire batons. Climaxing half-time was the crowning of queen Linda Folger and her court.

Student Government hassled over the WHEN and WHERE of the ceremonies. The pleasant outcome was the return of last year's queen, DeeDee Esser, to crown Linda Folger for the first time at an assembly fifth hour, Friday. Everyone could then share in the exciting announcement of the 1970 queen and court. Since the building permit for this dance required that students be out of the DeVilbiss cafeteria by 11:00, the dance ended at 10:30.

Cheerleaders

Sponsor Clinic

Sixty-five grade school and high school students weathered cold and rain to attend a cheerleading clinic at Page Stadium in September. Various members of the D.H.S. varsity squad taught cheers, jumps, tumbling, and a pompom routine. The profit helped the cheerleaders pay for their new basketball uniforms.

In June, the varsity cheerleaders attended Smith-Walbridge Camp which is one of many National Cheerleading Association Camps. In five out of five competitions the D.H.S. cheerleaders took first place. They also won the "Spirit Stick" by being the most spirited squad three times.

Junior varsity cheerleaders sold suckers while the Tigerettes sold candy to pay for their many expenses. They practiced long hours after school to insure precision. The six-member J.V. squad attended a clinic at T.U.

'Music Man' Performances Draw Big Crowds

"Seventy-Six Trombones"—students and faculty members whistled, hummed, and sang that tune all through the halls as the cast prepared for "The Music Man". Since the first presentation took place at the end of exam week, one matinee was performed on Thursday, January 27, and a second on Sunday, January 31, something new for DeVilbiss High School.

Mrs. Martha Pownall directed the musical this year and Mr. Dan Kronfield was the conductor. For the first time, two girls shared the feminine lead: Bobbie Bean and Sue Hazard. Both played Marion the Librarian. The audience generously applauded Keith Vandivort's performance as Professor Harold Hill.

Publicity and usher's maxi skirts featured patriotic colors. The 1912 costumes reminded students of today's nostalgic styles.

Many Students Work Behind Show Scenes

Since December Pit Band has spent about 10 hours a week on "Spinning Wheels", "Spooky", and other arrangements of Mark Everhart for DeViltries. A part of Pit Band practices for a combo in which they play professionally.

Members of the Stagecraft and Lighting class spent their class time building sets for the school dramatic productions. "Music Man" called for the interior of a train. The class members altered this to make the bus interior for the opening scene in DeViltries.

Eight juniors served on the steering committees for "Music Man" and DeViltries. This is an honor usually reserved for seniors.

DeViltries Uses Slapstick Humor

Pies in the face, spilt water and broken chairs added a variety of humor to the 1971 DeViltries, "No, He was a Mormon."

Two flat tires leave Chester O. Forbes' Traveling Variety Show stranded. Ezekial Ebrams offers to let them use his barn. The actors begin to rehearse for their next show in Omaha. Wife, who had won a talent show, considers this a great break to show her talents. Jealous Trudi then demonstrates the "true caliber" of the troop by singing "Nel Cor Piu Non Mi Sento." The show ends as Ted and Chris realize their mutual love and leave Chester in Trudi's arms.

Karen Sarno and Keith Vandivort displayed their talent in the writing and directing of the show. Miss Carol Husum, adviser, gave support and guidance throughout the production.

Prism Tries Co-Editors

Mary Baum and Karolyn Anderson worked together as co-editors of the Prism. Having two editors was a totally new idea for the DeVilbiss newspaper.

At the annual Prism breakfast the 100% homerooms banqueted on French waffles and cider. Even with this tempting goal, sales were down. Last year 600 subscriptions were sold while this year only 450 were sold. This made ad sales more important for the financing of the paper.

Various homerooms participated in the Prism's Political Poll by answering questions. The questions concerning Viet Nam, drugs, abortion, the space program, and the bus levey received a great many answers from the students.

Staff members attended an educational workshop in Bowling Green where they discovered many ideas on newspaper editing.

POG Staff Travels Cheaper By The Dozen

Eleven members of the Pot O' Gold staff and Mrs. Berger took off for an educational but fun-filled trip to New York, on October thirteenth. The purpose of the trip was to attend Columbia University's short course on yearbook. Since eighteen members of this year's staff of twenty-three were new, this training was quite valuable. Discounts on entertainment for groups of twelve were a pleasant surprise.

"Don't Be Left Out in the Cold; Buy Your Pot O'Gold" was the slogan for the 1971 sales campaign. A stuffed penguin which the staff purchased in New York for Mrs. Berger was the offical POG mascot.

The staff overcame many obstacles: a late start, difficulties with the delivering and distribution of under class pictures and the budget.

The problem of insufficient storage space was solved second semester when the POG room became an electronics classroom for Mrs. Berger's French classes instead of the room for visual aids.

Honor Society Donates To Leukemia Fund

Donating $25 to the Leukemia Society Research Fund was an unusual activity this year for the Honor Society. Its members continued the tutoring program. The fall inductions added nineteen seniors to the forty-one who had been inducted as juniors last spring, making a total membership sixty. Parents, friends, old and new members enjoyed refreshments in the library after the inductions.

Inductions for the Quill and Scroll took place at the end of DeVilbiss Week. Members of the Prism and Pot O' Gold staffs received membership pins from this international society for high school journalists and left for the traditional Quill and Scroll breakfast.

As of March 15, the Quiz Bowl team had won two matches. The four member team won over Ottawa Hills and in a close match, Clay. Mr. Bill Shafer coached the team.

Choir Ensembles Earn Superior Ratings

MADRIGAL SINGERS: Steven Harris, Becky Small, Richard Kern, Renard Howard, Kay Robinson, Steven Lewis, and Jane Draper.

Chorale, Girls' Ensemble, and Madrigal, performing at the State contest, won 24 first-place medals to add to choir's collection. The phrase recurring on all three critiques from the judges was "you have a good blend".

A group of 17 composed choir's newest ensemble, Chorale. This group highlighted the National Honor Society induction, the orientation meeting of junior high counselors, and the dinner for parents of choir members. They also gave a repertoire of popular tunes for the spring concert.

Girls' Ensemble presented songs for the Old Orchard 8th graders and an exchange concert with Bowling Green High School.

Madrigal, because of short rehearsal time, did not perform often but this factor was not noticeable in their contest performance.

Mothers And Dads Organize Choir Parents Club

Organizing the parents of choir members, a suggestion of Mr. Robert Baggs, became a bonus for the choir and all others involved. The parents united to provide transportation to contest and formed calling committees to notify one another of choir activities.

Mr. Baggs also instituted a recital of the solos and ensembles in M1 preceding the contest date. This experience, added to natural talent and hard work, resulted in all solos and ensembles winning either a superior or excellent rating.

Choir raised over $700.00 through a city-wide tag day to pay for 26 new robes needed for a choir of increased size to 106.

After its appearance on WTOL-TV and again at the annual Peristyle concert, the consensus of opinion was that DeVilbiss had retained its position as the best city choir.

Following a dinner hosted by Bowling Green High School choir members, both choirs presented numbers in a concert form.

The choir brought the Spirit of Christmas into D.H.S. halls and spread words of love in the yearly spring concert.

School Receives Painting During DeVilbiss Week

All DeVilbiss students received an award during DeVilbiss Week, April 26-30, when Mr. B. J. Shaffer unveiled the painting of a large, colorful tiger on Awards Day. Mr. and Mrs. Herbert London, parents of two students; Robert, and Richard, and a graduate Jan, donated this gift to the school.

Following tradition, Monday—Faculty Day honored teachers with red and white carnations.

Tuesday, the organizations commission, following interviews and a summary of points awarded for various activities, presented these awards: best social service clubs, Pay-a-el-sa and Hi-Y; best special interest club, National Forensic League; best Literary club, Peries.

Wednesday—Publications Day recognized members of the Prism and Pot O' Gold staffs at an assembly. Upon induction the new members of Quill and Scroll took the journalism oath. On Thursday—Awards Day faculty members announced the winners of various fields.

In the past, DeVilbiss Night Relays took place on Friday. This year broke tradition. Instead, the Seniors and Faculty held a football game which resulted in a tie.

The Human Relations Committee declared Friday Human Relations Day at DeVilbiss. This was a new idea for DeVilbiss.

South America Sends Two Exchange Students

Florencia Wolf and Pablo Echevaria; the "youth for understanding" exchange students arrived in Toledo in January. Flo comes from Buenos Aires, Argentina and Pablo is from Uruguay. Both are in Toledo for six months.

Flo is interested in music; she plays the guitar and the recorder. She speaks Spanish, German, English, and French. Her interests include sports of all kinds, but especially swimming and running. Florencia represented Argentina in swimming and running races. Her American parents are Mr. and Mrs. James Harris.

Pablo is interested in psychology and is doing an in-depth study of Freud. In Uruguay, he served as his school's Student Council president. Pablo's favorite sport is soccer. He is living with Mr. and Mrs. John Morgan.

Academics

"We start out walking and learn to run"

Academics is more than memorization and report cards and classrooms
Academics is questions, searching, wonder, boredom, awe
And an answer sprinkled here and there

Successful Santa Art Exhibit, Sale

Nets Profits For Students, Art Fund

Before the holiday season, students from general art, sculpture, and painting classes held a Santa Art Sale and Exhibit in the library. Over one hundred artists participated, with sales totalling two hundred three dollars.

Art pupil Judy Robbins displayed and sold macrame creations as far away as Dayton, Ohio.

Weekly projects in general art were an essential part of the curriculum. Students experimented with watercolor, sculpture, tempera, oils, papier mache, and mixed media.

Outside speakers introduced new skills and ideas. Daryl Dunlap, guest teacher from Libbey, demonstrated rug-hooking. From the Toledo Artists' Club, Cordella Treece spoke about painting. Another local artist, Mary Jane Mazachowski, illustrated the how-tos of barik-dyeing. Ernie Spring lectured on water color.

New hexagonal tables arriving in the fall for use in art rooms were not the shape ordered. Preferable to these, according to Mrs. Sue Lechner, would be ones with fewer jutting edges.

New Machine, Course Improve Training

The Ohio Program Review for the Improvement, Development, and Expansion of Vocational Education sponsored an evaluation program in which teachers, graduates, and students of machine shop began to study and grade the curriculum.

Mr. Cowell's junior and senior machine shop classes visited Chrysler Corporation's Machinist's Shop in the spring for a supervised tour, lecture, and question session.

Drafting and mechanical drawing classes focussed on isometric projections and three-dimensional plans. New this year, a blueprint machine turned out professional prints.

Mrs. Diane Shanklin, a speaker from Toledo Family Planning, discussed the subjects of "Love and Marriage" and "Looking Toward Parenthood" with Home Economics students. Preceding a visit to McKinley Nursery to observe infant care, students saw Red Cross films on child development.

Sewing classes constructed garments based on their ability and experience. Second semester, they exchanged teachers and rooms with cooking classes to study meal planning and child care.

Vocational Education Enrolls Maximum

Juniors and seniors sixteen years old and eligible for Occupational Work Experience worked a minimum of fifteen hours as busboys, bakery workers, filing clerks, messengers, and meat cutters. As part of their academic curriculum, Mr. Richard Bieniek taught contemporary events using "The Toledo Times" for a guide.

Cooperative Office Education included twenty-three girls who learned business, typing, and business machine skills in the morning at De-Vilbiss. Students participated in outside jobs under the supervision of Mrs. Opal McFarland.

According to Distributive Education coordinator, Mr. David Maltby, "the program's most important contribution is orienting the student to the retail business world." In furthering this purpose, twenty-five DECA pupils attended classes until 12:00, then left school for jobs as stock boys, telephone operators, department store clerks, and cashiers.

The Adult Education Department of the Board of Education sponsored the Jingle Bell Program. Costing four dollars, the course was designed to teach students the rudiments of obtaining a holiday job and sales skills.

Balance Beam Aids Gymnastic Stunts

New last year, a balance beam and mini-trampoline gave physical education students unique opportunities for gymnastic stunts.

Among other skills, freshman and sophomore boys learned wrestling, basketball, football, field soccer, and volleyball.

Underclass girls choreographed modern and tap dances, planned and executed tumbling routines, learned archery, and braved collisions with field hockey sticks during good weather.

Speaking on the care of the eyes, a representative of The Toledo Society for the Blind visited health classes. After studying basic physiology and health care first semester, students learned about first aid, drugs, alcohol, and smoking in the spring.

Students Act Roles In History Games

"Confrontation", "Dangerous Parallel", "Blac and White", and a propoganda game simulate social and political situations in which student acted as decision-makers.

Sociology classes discussed drugs, prejudice discrimination, personality, sex, and alienation Films covering these subjects included "Values" "Dare To Be Different", and "Refiner's Fire"

American History courses moved towards contemporary, thematic approach. Many teacher parallelled current events with the past.

Negro History Week featured Dr. Willian Leckie, Vice President for Academic Affairs a T.U., Mr. Wesley Jones, Project Supervisor o the Afro-American Curriculum Office, and Mr Phil Kaufman, who talked about the Huma Relations Committee at DeVilbiss. Mr. Kaufma distributed a fact sheet and questionnaire designe to survey student knowledge about the committee' human relations activities.

Afro-American History classes read and ana yzed the viewpoints of Garvey, DuBois, Cleaver Malcolm X, and John Hope Franklin.

New Seats Increase Drama Enjoyment

A complete set of auditorium seats installed in Room 261 provided viewing comfort for audiences of theatrical productions.

Among the many plays Mrs. Martha Pownall's drama students directed and produced were "Dope" and "The Sacrifice".

Students in Stagecraft and Lighting constructed "Music Man" scenery. To observe set building they watched Doerman theater crews prepare the stage for "Tommy". A tour of the Masonic Auditorium introduced the class to its prop and costume shop. A visit to Tobin's Lake Studios illustrated concepts of scene design.

Areas covered in Speech I were interviewing, informative and persuasive speaking, and extemporaneous talks. Second semester, with the help of student teacher Mr. Donald Kinney, pupils debated and wrote interpretive speeches.

To commemorate Martin Luther King's birthday anniversary, the choir taped a musical presentation which was played over the public address system on January 25 during second hour.

French Students Study In France

Five DeVilbiss students and Mrs. Lenore Berger, their counselor, spent six weeks in France studying the language. They travelled extensively in Normandy and Brittainy.

Throughout the school year, French pupils role-played their dialogues, visited the French galleries in the art museum, and cooked a meal.

Beginning this year, the Toledo Board of Education assumed financial support of the Chinese Russian Center, formerly funded by the federal government.

Saint Michael's-in-the-Hills Church was the setting for a successful Russian dinner. On February third Mrs. Bonnie Helms, an American who lived two years in Pakistan, showed slides and discussed Asian customs with first semester Asian Studies students at their dinner.

A teacher new to DeVilbiss, Mrs. Nedra Outram taught all four levels of Spanish.

Latin pupils created original Christmas cards for the holiday season.

Miss Annemarie Kwiatkowski taught a new German culture class. Individual research projects prepared by members of the class included papers on the Weimar Republic, Bismarck, and the Third Reich. Insufficient enrollment caused cancellation of the course second semester.

Electrical Outlets Expand Lab Skills

Updated microscopes, slide sets, a centrifuge, and a DNA model increased flexibility in physical science and biology rooms. Electrical outlets at each desk allowed students to perform a wide range of laboratory experiments.

Richard Greenwald, Al Bellg, and Jeff Boone devised a physics experiment in which they weighed a fellow student's head. From the estimated brain size they calculated his intelligence.

Subjects the A.P. Chemistry class covered included electrochemistry and qualitative and quantitative measurement.

Physiology classes held a bake sale to collect money for the American Cancer Society's "Send A Mouse To College" fund drive. The mice were used in university research projects.

Electronics students Jeff Blettner, Dave Bertz, and Roger Holman headed a radio repair shop which serviced about one hundred tape players, amplifiers, and car radios. Ben Solomen repaired a tape deck for the Toledo Zoo Club. An advanced electronics pupil, Barry Leeper, wired an FM two way radio remote control system.

Algebra Foundations, a new math course, introduced students to some basic principles of algebra. Advanced classes in Senior Math learned analytic geometry and essentials of plane trigonometry.

Bible Study Provides Literary Insights

Premiering second semester, a Bible Study class enabled eleven students under Miss Rose Bloom's leadership to analyze the Bible from a literary standpoint.

A Syntax-O-Matic and an Auditory Trainer expanded and modernized equipment for hearing impairment students. Drivers' Education at 7:30 allowed pupils to learn driving skills.

Advanced Placement English students viewed "Hamlet" played at the Masonic Auditorium by Dame Judith Anderson. In preparation for the A.P. test they interpreted the works of T.S. Eliot, Shakespeare, the Greek dramatists, Thoreau, Ibsen, and James Joyce, and wrote countless themes, critical reviews, and editorials.

In its second year, a Shakespeare course included several tragedies, a comedy, and many sonnets. Students related Machiavelli's The Prince to "Henry IV" and "Hamlet".

Focusing on conflict material, Contemporary Literature classes read and analyzed 1984, Passage to India, and You Can't Go Home Again.

Freshman English classed related the epic poems "King Arthur" and "The Odyssey" to a mythology motif. Animal Farm and A Separate Peace introduced sophomores to satire. Cry, the Beloved Country and Catcher In the Rye emphasized social commentary in third year English.

Administration Faces Two Strikes, Changes

Adding three new staff members in the space of two years created the need for more office space in the counseling area. One office was divided in half. Then, two partitions were removed from the outer office, creating one long room for the attendance clerks. This sent the college room up to its present location in a room just off the library.

The State Title

DeVilbiss Cross Country team was the best in the State. They proved this when they dominated the top places at the State Meet. Jeff Schnell came in first, followed 14 seconds later by Walt Churchill.

Tiger harriers also ran away with championships in the Ashland Classic, city, sectional, and district meets.

Walt Churchill flew across the finish line in the City League Meet with a record breaking time of 10:04, for the two-mile. Tigers placed 1-2-4-5 in this competition.

Churchill posted the best time again to lead the Tigers to a sectional win. Teammates supported him by placing in the top ten.

D.H.S. runners also starred in the district meet. Jeff Schnell picked up first place in this two-mile race, breaking the district and Walt's record with his time of 10:02. Schnell and the remaining team compiled 35 points, leading second-place Findlay by 44 points.

DeVilbiss sponsored an assembly for the victorious boys after the all-important State Meet, during which the team presented their trophies to the school. That day, Tuesday, November 10, was declared "Cross Country Appreciation Day" at DeVilbiss High School.

In 1969 Coach Tapola said, concerning the team of that year, "This is the best Cross Country team DeVilbiss has ever had." This year's Varsity squad has broken over seven records to outdate this statement.

J.V.'s Stomp Over Opposing Schools

The Junior Varsity harriers trampled over their opponents by winning six out of seven meets. They pushed their way to place second in the City League Meet, while falling to the victor, St. John's. Rick Croskery, Craig Davis, and Lonny Crisp took first, fifth, and seventh places, respectively. Two essential runners did not attend this race; those two being Kevin Ferguson and Bruce Tapola.

Only four boys composed the freshman team; five were needed to run as a team at dual meets. The Kittens ran with the J.V.'s for this reason. Bruce Tapola, competing as an individual, took championship at the City Meet. He broke the record, set by Jeff Schnell his freshman year, with his time of 11:24.

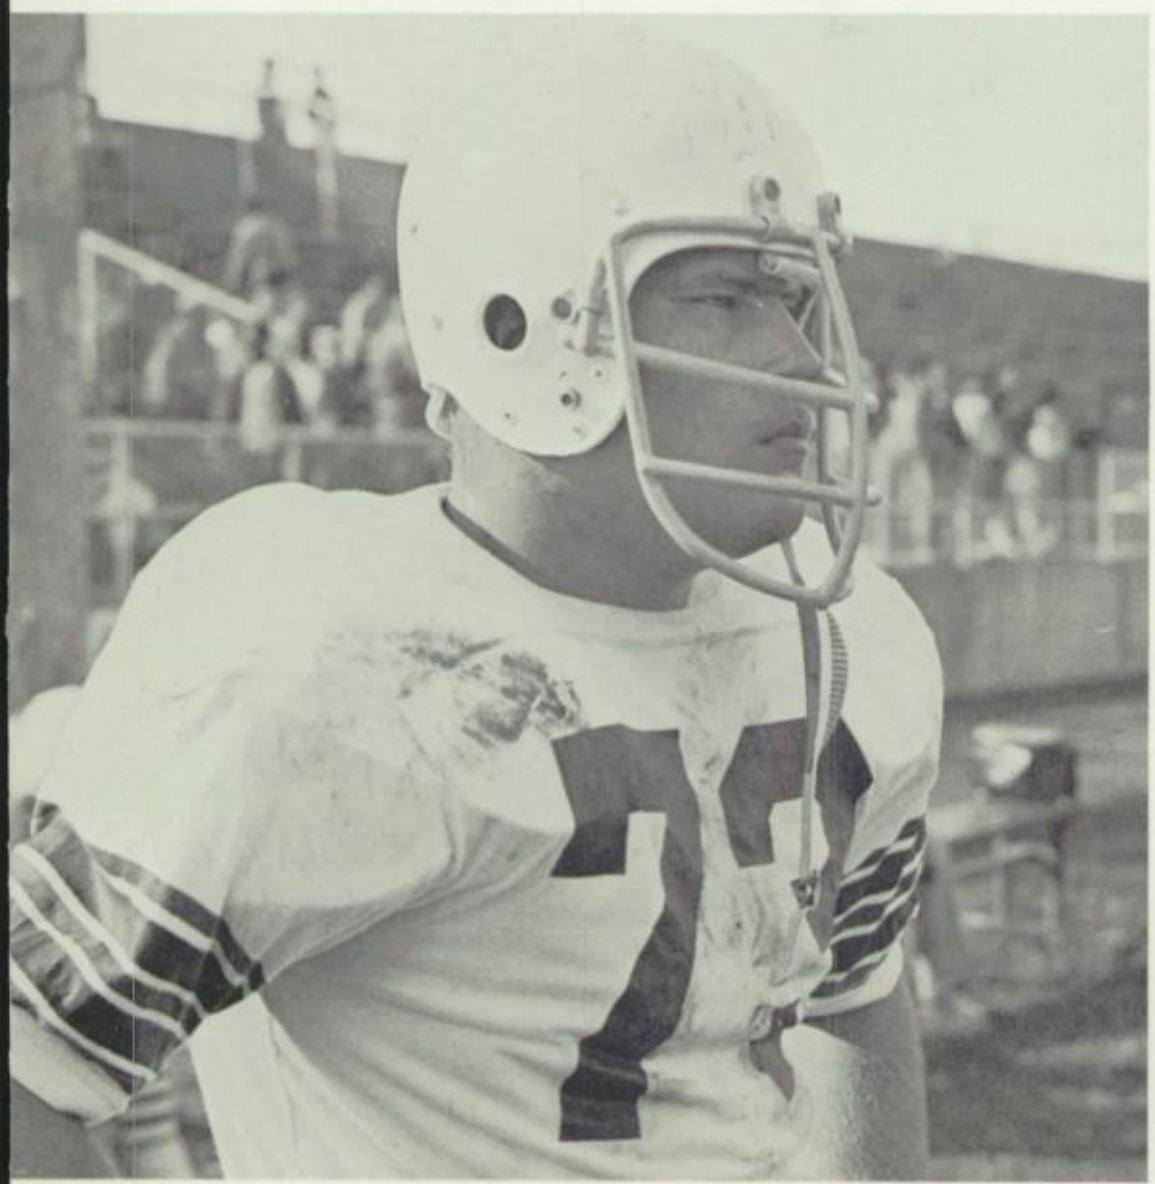
Tigers Lose Victory Bell To Start



Co-captain Jeff Boone anticipates the outcome of the play.

Tigers suffered a disappointing season. Coach Pittman gives the following reasons: "Difficulty beginning in the fall due to the teachers strike, injuries to key personnel, and changes in defensives philosophy and techniques."

The season started with a fall to the Blue Streaks of Sandusky, 42-0. The Tigers opened with a missed field goal from the 25 yard line and the rest of the night belonged to Sandusky. Victory over the Libbey Cowboys followed. Halfback Fred Powell broke a 6-6 tie with a second period touchdown. This brought the score up to 12-6 to clinch the game.

Powell was injured badly in the following game against Macomber, which set the Tigers back seriously. They lost this game 38-6. The next game with Central was close. Leading the Irish till the fourth quarter, the Tiger defense faltered allowing two Irish touchdowns, which won them the game 13-6.

In 1970, DeVilbiss won the coveted Victory Bell from their rival Start; only to return it this year after a very disappointing 14-0 defeat.

J.V.'s Flush Frosh

In Toilet Bowl

The Toilet Bowl, annual J.V.-Frosh classic, was fairly close this year. The Sophomores won this traditional game, 22-10.

Because of Varsity injuries, some J.V.'s moved up to take their place, leaving a gap in their squad. For this reason, the sophomores were not at full strength. J.V. quarterback Derrick Diggs was named outstanding offensive player. Outstanding linemen were Mike Copeland and Pete Miller.

Both Coach Fox and Coach August felt that the boys on their respective teams accomplished their goals. They learned the basic skills: tackling, running, and blocking.

Young Players Compose Varsity Team

Underclassmen constituted the majority of DeVilbiss' Varsity, as there were only two seniors. This means DeVilbiss will have many returning lettermen in the 1971-72 season.

After dragging through the first five games, the Tigers gradually improved. Beginning with the sixth game which they lost to Sylvania 61-67, the Bengals pursued the illusive goal of victory with considerably more vigor. Many of their defeats were by close scores.

For their first victory, DeVilbiss downed Waite 57-50 in the D.H.S. gym. Craig Burns entered the game in the second quarter and held the Indians' Luther Terry to six points the rest of the game. Sid Morse reached 19 points to top the high scorers of that game.

The second win took place at Defiance where Jim Murry compiled 20 points. Halftime score was in the Bulldog's favor, 30-26, but the Tigers surpassed them in the third quarter and held their lead to win 63-59.

For the first time in five years, D.H.S. ballplayers defeated Libbey High School 67-60.

Three members averaged over 10 points per game; Sid Morse with 11.2 points, Craig Burns and Craig Lykins both with 10 points. The top two foul shooters were George Young with 74.6% and Curt Lykins with 75.5%.

J.V. Dribblers Conquer Rival

"The team as a whole gave 100% every game. We played together as a team, always thinking of the other fellow." Coach David McClellan stated this in relation to his J.V. team. He also remarked that they displayed great leadership and will go a long way in rebuilding the basketball program at DeVilbiss. The Reserves tallied an important conquest, 49-44, over Start High, a long time rival of D.H.S.

Inexperience handicapped the Freshman squad. Most of the boys had never played grade school basketball. Therefore, Coach D'Emilio had to teach them the fundamentals of the game as a prelude to the tactics and strategies. Their skills came to the surface near the end of the season. Mr. D'Emilio thought they acquired the learning experience he feels a freshman should receive.

Girl's B-B Team Wipes Whitney

The girl Cagers staged one sole victory out of eight games this year. This took place at home against Whitney, 22-15. Injuries and illness were drastic setbacks to the squad.

The team's defense excelled while their offense dragged. The Tigers averaged about 25% of their shots. They lost many games at the foul line because of this.

Lack of a good outside shooter was the girls' major weakness. Most of the team is returning next season because there were only three seniors. This was Miss Judy Schaal's first year as the girls' basketball coach. She said that they never gave up, despite their losing record.

Janet Dunn releases ball after taking aim.

Poontang Wildcats Win Intramurals

Laura Gallapis totaled 248 points to become the highest scorer against Rogers, Scott and Bowsher for archery intramurals. Other members on the team were Brenda Gillespie, Cathy Pickering, and Beth Blankerts.

The "Poontang Wildcats" bounced their way to the basketball championship with 4-0. The winning team consisted of Bob Nordhoff, Mike Barry, Greg Lake, Mark Everhart, Rick Brannan, Keith Slaughterback, and Jim Anderson.

Miss K. Juers chose one girl's volleyball team to compete against Woodward, Bowsher, and Libbey. They came in second. Gail Claugherty captained the team of Linda Girkins, Debbie Green, Amy Crisp, Bobbie Bean, Laura Gallapis, Sue Schneider, and Lorraine Grant.

Grapplers Crush Libbey Cowboys

With a number of first year wrestlers filling the new vacant weights, our wrestling team did quite well. Our upper classmen, consisting of Gary Reynolds, Denny Williams, Bruce Wilson, Jim Hall, and Tim Armstrong, helped the team in close scoring dual matches. The year started off with a loss to Rogers; the team came back with a romp over Libbey, 47-6. The next two matches were losses. D.H.S. came back to win three straight, over Scott, Start and Woodward. The Tigers won the matinee match over Start, D.H.S. arch-rival, by a score of 32-14. A loss to Bowsher closed the season by a score of 21-27.

The Tigers participated to two tournaments. At Start—Bruce Wilson, Tim Armstrong, and Jim Hall placed first; Dennis Williams and Kevin Ferguson placed second. At Worthington—Bruce Wilson placed first and won the tournament's most valuable wrestler with three consecutive pins. Dennis Williams and Tim Armstrong placed second. At the city tournament, the climax of the dual matches led Bruce Wilson to place second. The sectionals held at Whitmer had Bruce Wilson first; Tim Armstrong and Kevin Ferguson fourth.

Nine Freshmen Wrestle J.V.

This was primarily a building year for the Junior Varsity team. Nine boys were frosh out of thirteen weight classes. Mr. Fox coached the Reserves for his third year on the wrestling staff. He thought the squad did quite well even though they lacked experience.

The Tigers lost to Rogers, 38-18, to begin the season. They returned strongly with 47 points to wipe out Libbey's 10. The next two matches with Macomber and Central were disappointing with scores of 35-22 and 30-18. The Scott Bulldogs forfeited the next match giving the Tigers a winning 65 points. DeVilbiss impressed Woodward with a tally of 56-3. Next, Bowsher topped D.H.S. grapplers, 31-21. The last two encounters with Maumee and Springfield were close with losses by 3 points each.

The Tiger's Walt Churchill and Jeff Schnell compiled first and second places at the Blade Relays and the City and District Championship meets. Walt set the new record for the two-mile at 9:39.5 while Jeff did likewise for the one-mile at 4:23.5. Jeff also rated the "Outstanding Individual Track Performer", awarded him by the D.H.S. coaching staff.

Baseball Team Hopes For City Championship

Varsity batters of 1970 finished with better than a .500 season. Their record was 6-8, with two shut-outs. Leading junior hitters were Danny Brown with a .366 average and Mark Everhart with a .326 average. These boys were chosen for All-City, Honorable Mention.

The ball-players pursued extra training last summer by playing on Churchill's team, a City league team. Danny Brown also spent two weeks down in Florida at a baseball camp at which he was given a very high evaluation.

Coaches David McClellan and Cesare D'Emilio are definitely planning on being top contenders for the City Championship this year.

Bruce Weissbrod, pitcher; Dave Orwig, pitcher; Mike Barry, catcher; Danny Brown, second baseman; and Mark Everhart, shortstop will be the five returning lettermen. Also expected to complete the 1971 DeVilbiss Baseball team are Gary Grenier, Rick Gray, Dave Parker, Mark Hurt, Joe Voorhees, and Larry Riggs.

Lack of Support Cancels Trip

Once again the 1971 Class had no trip due to lack of support and differing opinions. One group wanted to go to Montreal, another to New York City, and another on a Smokey Mountain camping trip, but the majority wanted to go to the Bahamas. When all the arrangements had been made for a school sponsored trip, registration began. Because only fourteen of the necessary sixty students signed up, the trip was cancelled. Last year, also, lack of support cancelled the Junior Class Trip.

At semester break, the class sponsored "The Big Hop" to raise money for the treasury.

Graduation Date Is Unusally Late

This Senior Class broke tradition in many ways. In addition to having no Baccalaureate, those Seniors with a 3.0 or higher grade average had no final examinations. For these students, school was over two weeks earlier.

"Save The Senior Class" was the campaign slogan during March to help finance the Prom, the Class Memorial, and all the necessary expenses for the first class reunion.

J-Hop Co-Chairmen Work Together In 'Sweet Disorder'

THE NEW AND THE DIFFERENT were challenges to the Class of '72. Staggered schedules which dismissed most Juniors at 2:00 allowed many members to get after-school jobs. Juniors eagerly participated in varsity sports, Student Government, and other D.H.S. activities.

The newly-formed Junior Spirit Committee supported sporting events. The Junior Grievance Board met every Tuesday and investigated Juniors' questions and complaints about class activities and the school in general.

As Sophomores, the Class of '72 broke with the tradition of having Sophomore Dance at D.H.S. by holding it at the Globe Motel. However, a lack of funds developed, and the class was in debt by $110. This year, after elections, the new officers planned projects to pay back this sum.

On December 5, DeVilbiss Night at the Sports Arena, the hockey pucks flew and the money poured in at a Toledo Hornets match sponsored by the Juniors. The class also held Turkey and Valentine Mailboxes, bakesales, and a Pumpkin Pie Sale to raise money.

Though they repaid Student Government, the Juniors still had to hold J-Hop at school. After the co-chairmen were chosen, they got it all together through hard work and planning. The result was "Sweet Disorder", held March 26, with entertainment provided by an area band, "Innovation". Many Juniors supported the dance, making it fun, profitable, and one of the most successful class undertakings of the year.

Plans For Dance Begin Involvement

Gary Sommer, Mr. Roy Martin, class adviser, and Heidi Rutz make preparations for Sophomore Dance..

Election of class officers in November named: Bill Hrabak, president; Dave Johnson, vice-president; Cindy Wilkens, secretary; and Charlie Miller, treasurer. The class and officers came up with an original money-making project. A sophomore coat check was made available at home basketball games. For only 10¢, sophomores guarded coats and other belongings while fans enjoyed the games. This was very successful and helped to provide the funds for the sophomore dance. "Everybody Is A Star" was the theme for the dance held in April in the cafeteria. Planning the dance were Co-Chairmen—Heidi Rutz and Gary Sommer, Bids—Sue Anderson and Linda Keifer, Refreshments—Sue Davis and David F. Smith, Publicity—Cindy Wilkins and Beth Watt, Decorations—Julie Schnell and Ellen Curtiss, and Clean-Up—Dianne Piel and Jan Zaft. Lack of support and funds cancelled the dance.

Freshmen Learn New Way Of Life

Incoming freshmen began high school on a strange note this year. The teachers' strike delayed regular classes until late in September. Freshmen enthusiastically participated in sports. The cheerleading squad promoted spirit in fellow classmates. Intramurals were important with many freshmen becoming involved in basketball and volleyball. Signing up for the committees of DeViltries and the musical proved also to be worthwhile to many, During second semester freshmen attended club day and signed up for the various clubs. In March, Ricky Thomas became the freshmen representative-at-large, after a run off election. He promises to make the class of '74 the best.

YFC Joins Teen Olympics

Campus Life, an inter-denominational Youth For Christ club, started its year with a Burger Bash after a football game. Besides an "inspiration" and an "impact" meeting every month, they found time to attend city-wide rallies every other week and roller-skating parties at Fun Spot. They decorated a car for the Homecoming parade and had a George Washington's Birthday Party.

On Halloween the YFC members attended their annual "Scream in the Dark", a romp through an old spooky barn filled with traps, ghosts, and live monsters. A tobogganing trip to Echo Valley in Kalamazoo, Michigan and a Pizza Happening completed their busy year.

Debutantes Paint Teachers' Lounge

Painting the teacher's lounge turned out to be such a big job for the girls in this Literary Society, that the Athletic coaches had to come to their rescue and help them finish it. In return the girls baked a tremendous amount of goodies for the coaches bakesale. They sold pumpkins to earn money for a Scholarship Fund, and made Thanksgiving and Christmas baskets. Selling carnations, making a Christmas window, and viewing the rock opera "Tommy" at T.U. kept the girls busy the rest of the year.

DECA Members Display Merchandizing Techniques

Forty DeVilbiss DECA members showed their enthusiasm by decorating cars and making banners to capture the First Prize at the annual City-Wide DECA picnic. They entered the District Contest in January and made a fine showing with their displays and sales demonstrations. At the District Elections Cindy Zelmanski was elected City Vice-President.

Fun projects included a Pizza Party at Shakeys, a breakfast at Uncle John's, and a Kool-Aid party at the home of president George Margy. Their earliest event was a hayride in the fall.

Equestriennes Take Gold Ribbon

Every Saturday Howard Stables was the scene for a day of riding for members of this special interest club. Their many hours of practice enabled them to capture a third place Gold Ribbon in the Toledo Horse Show.

Activities for the year included a hayride and weiner roast, two car washes, and a Christmas party in December.

Hi-Ys Go Carolling

West Toledo YMCA was the meeting place for this very active boys' organization. Their first social affair was a hayride. Joined by the girls from Peries at Christmas, they had a carolling party which was a huge success. Dozens of kids piled into cars and travelled all over the city.

Hi-Y members participated in the Youth and Government Drive to pass a law requiring drivers over 65 years of age to take a physical examination every few years. They held their annual Christmas Dance at Collingwood Presbyterian Church. A film festival in March, in which many clubs became involved, brought a spectacular end to their busy year. Hi-Y plans to go to Cedar Point with their sister club I-Da-Ka this summer.

I-DA-KA Inaugurates Smile Week

eth Watt and Sue Eiserling post Smile Week signs.

Service was the slogan for I-Da-Ka all year long. They began by making maps of the school to give to the freshmen. After the Homecoming game they cleaned up the debris left in the parking lot by the floats. Next, they made bibs and rugs for retarded children, and tray favors for an old ladies home. The girls "adopted" two families, taking them to a parade, the zoo, movies, "Winter Wonderland", and Greenfield Village. Every year they earn money for the Debbie Gordon Scholarship Fund.

For Smile Week, officially named by I-Da-Ka as Nov. 23-28, smile posters were hung in the halls and in every room, and smile buttons were given to all Tads to wear during the week.

The members enjoyed themselves at a turnabout at Ottawa Park Skating Rink, a hayride, Private, and Senior Banquet. To finance these activities the girls had a rummage sale, bakesales, and sold cracker jacks.

Junior Classical League Has Russian Program

The highlight of this year's Junior Classical League was a Russian program featuring Dr. R. E. Walden, director of Interim Health Center. Having just returned from a tour of hospitals and medical centers in Russia with a group of American doctors, he brought with him pamphlets and slides of Russia, along with many interesting stories. Junior Todd Wilson played a selection of Russian music on the piano.

The National Forensic League is an organization to reward and encourage study in the field of speech-communication by high school students. Tournaments are held on Saturdays from October through March in which students compete, earning points towards honorary degrees in the National organization. DeVilbiss N.F.L. is a member Chapter of the National organization, which makes it eligible to compete on the district and state level. The DeVilbiss Chapter is a self-supporting club which earns money for tournament fees and transportation by selling baked goods and hosting an annual tournament for schools throughout Ohio and neighboring states. This year they visited Athens, Cincinnati, and Cleveland. In March they took second place in the Lake High School Invitational Speech Tournament for the first time.

OA's Sell Popcorn

Four members of Omena Aura sold popcorn, candy, and pop at every basketball game this season. They served at the football banquet and sold their traditional Homecoming Mums as their contribution to school spirit. The members kept a bulletin board decorated in the front hall, gave Valentine favors to the teachers, and Thanksgiving and Christmas baskets to needy families in the DeVilbiss area.

School service projects included painting the garbage cans and sweeping the parking lot. They took their fifteen new members roller-skating for Omena Aura Day in February, and finished the year with an Alumnae Tea for the alumnae, dating back to 1964.

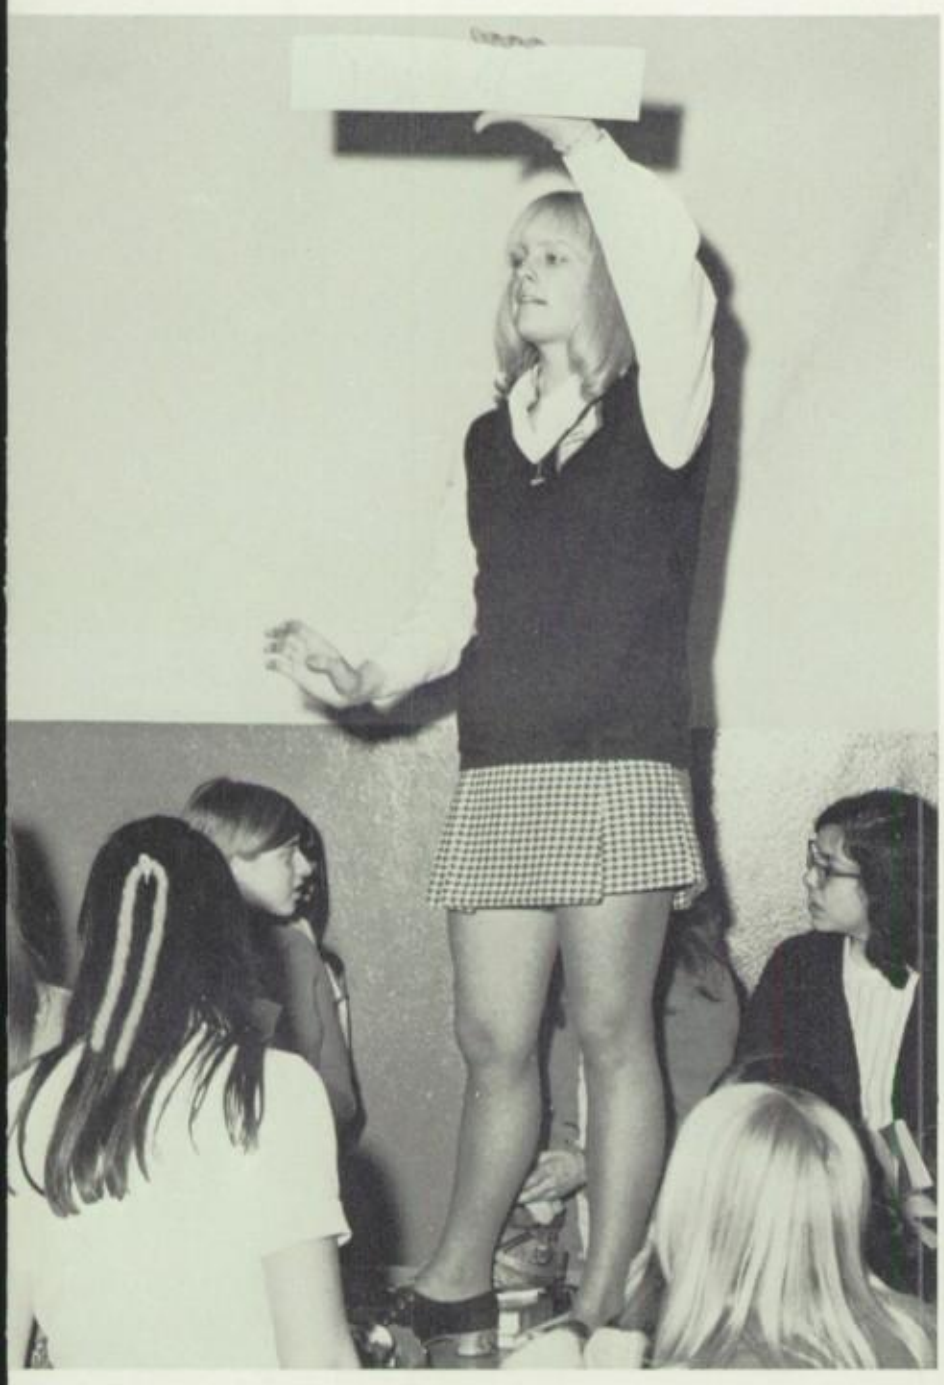
Pay-A-El-Sa Sponsors October Open, Hayride



IGHT: Mark Everhart, Pat Ellis, Ellen Curtiss, and Rick Gray warm up ound the fireplace at the Pay hayride at Pearson Park.

Pay-A-El-Sa started out the year with a hayride which was well-attended. Sophomores made tags and banners for football and basketball games. During the football season the members decorated the goal posts for every home game. They decorated a homecoming float for the parade with their brother club, Q.D. In late October the girls handed out literature reminding people to vote. They promoted Thanksgiving happiness by passing around tray favors to all the teachers and taking a Thanksgiving basket to a family. Founders Day dinner, which was held in November, was celebrated at Shakey's Pizza Parlor. During Christmas vacation they held a party.

The Crown Room was the scene for the traditional Christmas Dance. The Pay-A-El-Sa bulletin board in the front hall welcomed freshmen to D.H.S. at the beginning of the year. Later it carried appropriate information like college news.

''A Tumble In The Hay'' with Hi-Y began an outstanding year for the Periclean Literary Society. Members worked together making spirit tags and banners for the football games. They sold Halloween candy to make money for the Senior Banquet. Underclassmen raised $100.00 by selling the candy door-to-door.

Ushering at the Masonic Auditorium was another project. During the months of November and January the girls ushered for '1776' and 'George M'. To help the school they patronized ''Music Man'' and Deviltries and cleaned the trophy cases in the front hall. They put appropriate decorations on a bulletin board in the cafeteria during the year. For school social service projects Peries made tray favors for the residents of Spencer Manor West for every holiday, and they sold shares of stock to help pay for a hospital in Haiti.

Call WB8EWJ For Radio Club

D.H.S. Amateur Radio Club has a license from the Federation Communications Commission with the call letters WB8EWJ. The club's 20 members are licensed in three classes with different privileges: novice, first technicians, and general classes—the goal towards which all hams work. Many have their own radio stations at home, and send messages for neighbors and friends. Adelaide, Australia is the greatest distance reached. The club members are active in the Civil Defense exercises and are organized to help in times of emergency and disaster. They have earned money to repair and buy equipment.

Junior, Senior Sorelles Party Year Away

Kathy Johnson, Stephanie Croft, and Karen Rupp enter room 101 for a meeting after school to arrange a swim party with Junior Sorelles.

Sixteen girls became new members of Jr. Sorelles at the beginning of the year. During November they went to see a play called "Fifteen Crazies Running Amuck". In February the play "Tommy" brought another trip to T.U. for the girls. A few projects for the members were attending basketball games, selling pop at wrestling matches, and patronizing "Music Man". On weekends they made movies and entered one of them in the Hi-Y film festival which was held in March. The rest of the time proved to be quite a lot of fun. At a Christmas party in the home of Linda Kurtz they exchanged gifts. They also enjoyed pizza parties, slumber parties, ice skating and tobogganing, and a progressive dinner.

Senior Sorelles joined with Junior Sorelles for a fabulous swim party at the YWCA. Forty students participated. They patronized the D.H.S. musical and attended "Love Story" at Cinema. Other activities included serving at the football banquet and making a Thanksgiving basket. Their big project of the year was making a track record for Mr. Fox. The speeds and record times of this year's runners and other participants were recorded for him and other TADS.

Sisco Displays Tiger Paws

A progressive dinner, a scavenger hunt, an open, bake sales, and slumber parties are just a few of the many activities enjoyed by the members of Sisco Social Service club. Cans were made by the girls for the Schneider memorial fund, and a water cooler donated to the football team. They also made piggybanks for the children at St. Anthony's Villa. To help pay for their Private they sold suckers and stationery at school. They served at the McKinley football banquet, and made a Christmas window which won First Place for the first time.

Talisman Recruits 27

This boys club was different from all others this year in that it started out with only four members. Last summer they worked hard recruiting new members and signed up 27, making a membership of 31. A swim party at the Aku Aku Town House Hotel welcomed the new members into the club. Last fall they held some bashes at Bare Foot Beach and at Jeff Boone's house. The guys met twice a month and ended the year with a Private at the Globe Motel.

Thalians Make Rock Candy For 'Sweetest Day'

This small Literary Society made and distributed rock candy this year for "Sweetest Day". They attended the rock opera "Tommy" at T.U. and frequented Cinema 1, 2, & 3. The members sold baked goods and decorated a float and car in the Homecoming parade. They also painted signs for teachers' doors, which included room number, teacher's name, and subject. They posted a bulletin board on third floor with pictures displaying Tiger Pride. Their busy year ended with their annual breakfast for Debutantes.

Tawasi Sponsors Book Drive

Club members were proud of the many social projects they performed this year. To show their appreciation to teachers, they made for them for Halloween and Valentine's Day. At Christmas they gave hand-decorated Christmas cards. The girls had fun making stuffed animals, which they gave to the Salvation Army to put into Christmas baskets. During Christmas vacation they carolled at Toledo Hospital. They gave the books which they collected to a Children's Home.

Tri-D Keeps Scrapbook

Members began the year by giving pumpkins and making aprons for the Pediatrics Ward at Toledo Hospital. They made Christmas and Valentine favors for the people at Spencer Manor, and saved Betty Crocker coupons to give toward the Kidney Machine. At Christmas time the girls donated two Christmas baskets, one of toys and one of food. At school in the front hall they decorated a Christmas window with tissue paper.

Besides making spirit tags for the games, they decorated a car for the Homecoming game. Tri-D had numerous bakesales and car washes. By doing these things they were able to patronize the musical and Deviltries.

Winding up the year was their Private at Laural Hills Country Club. The Agents Phyve provided the entertainment for the 25 girls in the club and their dates. Each was allowed to invite a guest couple. Bids were $4.00.

Y-Teens Play In Snow

The girls of Y-Teens had a special event for their members every month. In December was their winter festival, held at the Y.M.C.A. A "Sprouting Out Hop" was the highlight of January, and numerous bakesales the next month helped to meet expenses. An inter-school Computer Dance was sponsored by the DeVilbiss chapter in March, and as a social service project they visited the State Hospital. In April came the last big Y-Teens event, their annual Spring Dance, held at the Globe Motel. Entertainment was furnished by a local band, and the theme was "April Showers".

Varsity D Keeps In Shape

Varsity Letterman assisted the Athletic Department in many ways. They collected tickets at basketball and football games, and wrestling matches. They helped visiting teams find the Varsity locker room and aided them in various other ways. Lettermen had a Varsity D card which gave them the privilege of buying their tickets for athletic events for 50¢.

DON'T SELL BUSINESS SHORT

You hear a lot of talk these days about the business world being a pretty dull, humdrum place. Some say it offers no really meaningful challenges. No opportunities for individual expression. Law, medicine or the Peace Corps perhaps. But not business.

Don't you believe it. American business today is a highly demanding institution. With plenty of room for personal contribution and growth. And if you feel strongly about man's social responsibility—business offers a unique opportunity for self-expression in this area, too.

Most likely you have further schooling ahead of you. But that day of decision on your long-term future is coming sooner than you realize. If when it arrives you've established a record of good grades and participation in extracurricular activities—think seriously about the rewards of a career in business—with us.

The Staff

We've only just begun to live—white lace and promises,
A kiss for luck and we're on our way.
Before the rising sun we fly—so many roads to choose,
We start out walking and learn to run.
Sharing horizons that are new to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day to day.
And when the evening comes—we smile.
So much of life ahead,
We'll find a place where there's room to grow.

So many roads to choose. Every year new things come along to make new decisions necessary. This was the year of the strike. It was also a year of new clubs, new courses, new teachers, new fashions. This was school year 1970-71. There will never again be the same roads or the same choices. If we made mistakes, we still have life ahead to correct them.
